# Hugh James mentoring scheme - Mentee feedback

## 1. What have you got out of the mentoring sessions?

- "A better understanding of the requirements needed to pursue my chosen career"
- "Revision tips and a better understanding of what to do in the future"
- "An insight in to what a workplace is really like"
- "Support and confidence in preparing for my exams, helping me to better organise myself and giving me advise for my career options"
- "Support and someone to talk to about worries with school work"

## 2. Are you better prepared for your exams?

- "I am better prepared because my mentor gave me a lot of useful advice on revision and my mentor also gave me an action plan that really helped me"
- "I am better prepared because my mentor stressed the importance of revising which encouraged me to revise. I was also shown different ways to revise to stop boredom"
- "Yes my mentor helped me get organised enough to deal with them"
- "Yes, I was encouraged to set up an exam timetable and to revise"
- "Yes, I know what to do to help pass my exams"

## 3. Do you now have a better idea of what to do next (i.e sixth form, college etc)?

- "Yes I now want to go to sixth form and complete my A-levels"
- "I found the sessions gave me a clear understanding of what is needed from me"
- "My mentor encouraged me to stay on and pick the subjects that I will need in the future"
- "I do have a better idea because I got good advice on what I need to do which made me realise that I need to do my absolute best"
- "Yes I was told of my mentors past experiences in college so now I have a better insight"

## 4. Overall, what was good about the sessions?

- "Gave me a clear understanding of my career options and where I am heading in the future"
- "A chance to discuss career ideas with someone who has already been through the system"
- "I learnt more about the workplace environment"
- "My mentor was calm and understanding and very friendly. She gave crucial advice and helped me cope with school stresses"
- "That I got to talk to someone outside of school and to get good advise from someone else's perspective"
